CHAIRMAN

In 1916, the region of Karnataka experienced the birth of a new era. The Karnataka Lingayat Education society (K.L.E society). It was humble initiative that would transform the bleak educational landscape in Karnataka and Mahrastra. The saga begins with seven dedicated teachers and three patrons. With the collective efforts of teachers, renowned philanthropists of the region, intellectuals and

educationalists, the society began laying strong educational foundation with its base at Belgaum, Karnataka.

Over the last 10 decades the K.L.E Society has blaed a trail and set an unparalleled example in India. Today, the society runs over 272 institutions in healthcare and education. With an asset base exceeding Rs. 5billion, over 10,500 faculty and staff and more than 83,420 students undergoing every possible course from kindergarten to post doctoral programs in the area of healthcare delivery, Engineering, Management, Arts, Law, Science and Commerce.

The selfless dedication and the pioneering spirit of its founders are propagated by the president, chairman and elected members each with impeccable track record. The success of the society can be attributed to their sterling contribution over the years. K.L.E Polytechnic stands testimony to the high professional standards aimed for and achieved by the K.L.E Society.
